KISKI AREA SENIOR HIGH SCHOOL

R. D. 3 - - BOX 278

LEECHBURG, PENNSYLVANIA - 15656

OFFICE OF THE PRINCIPAL

TO OUR STUDENTS AT KISKI AREA:

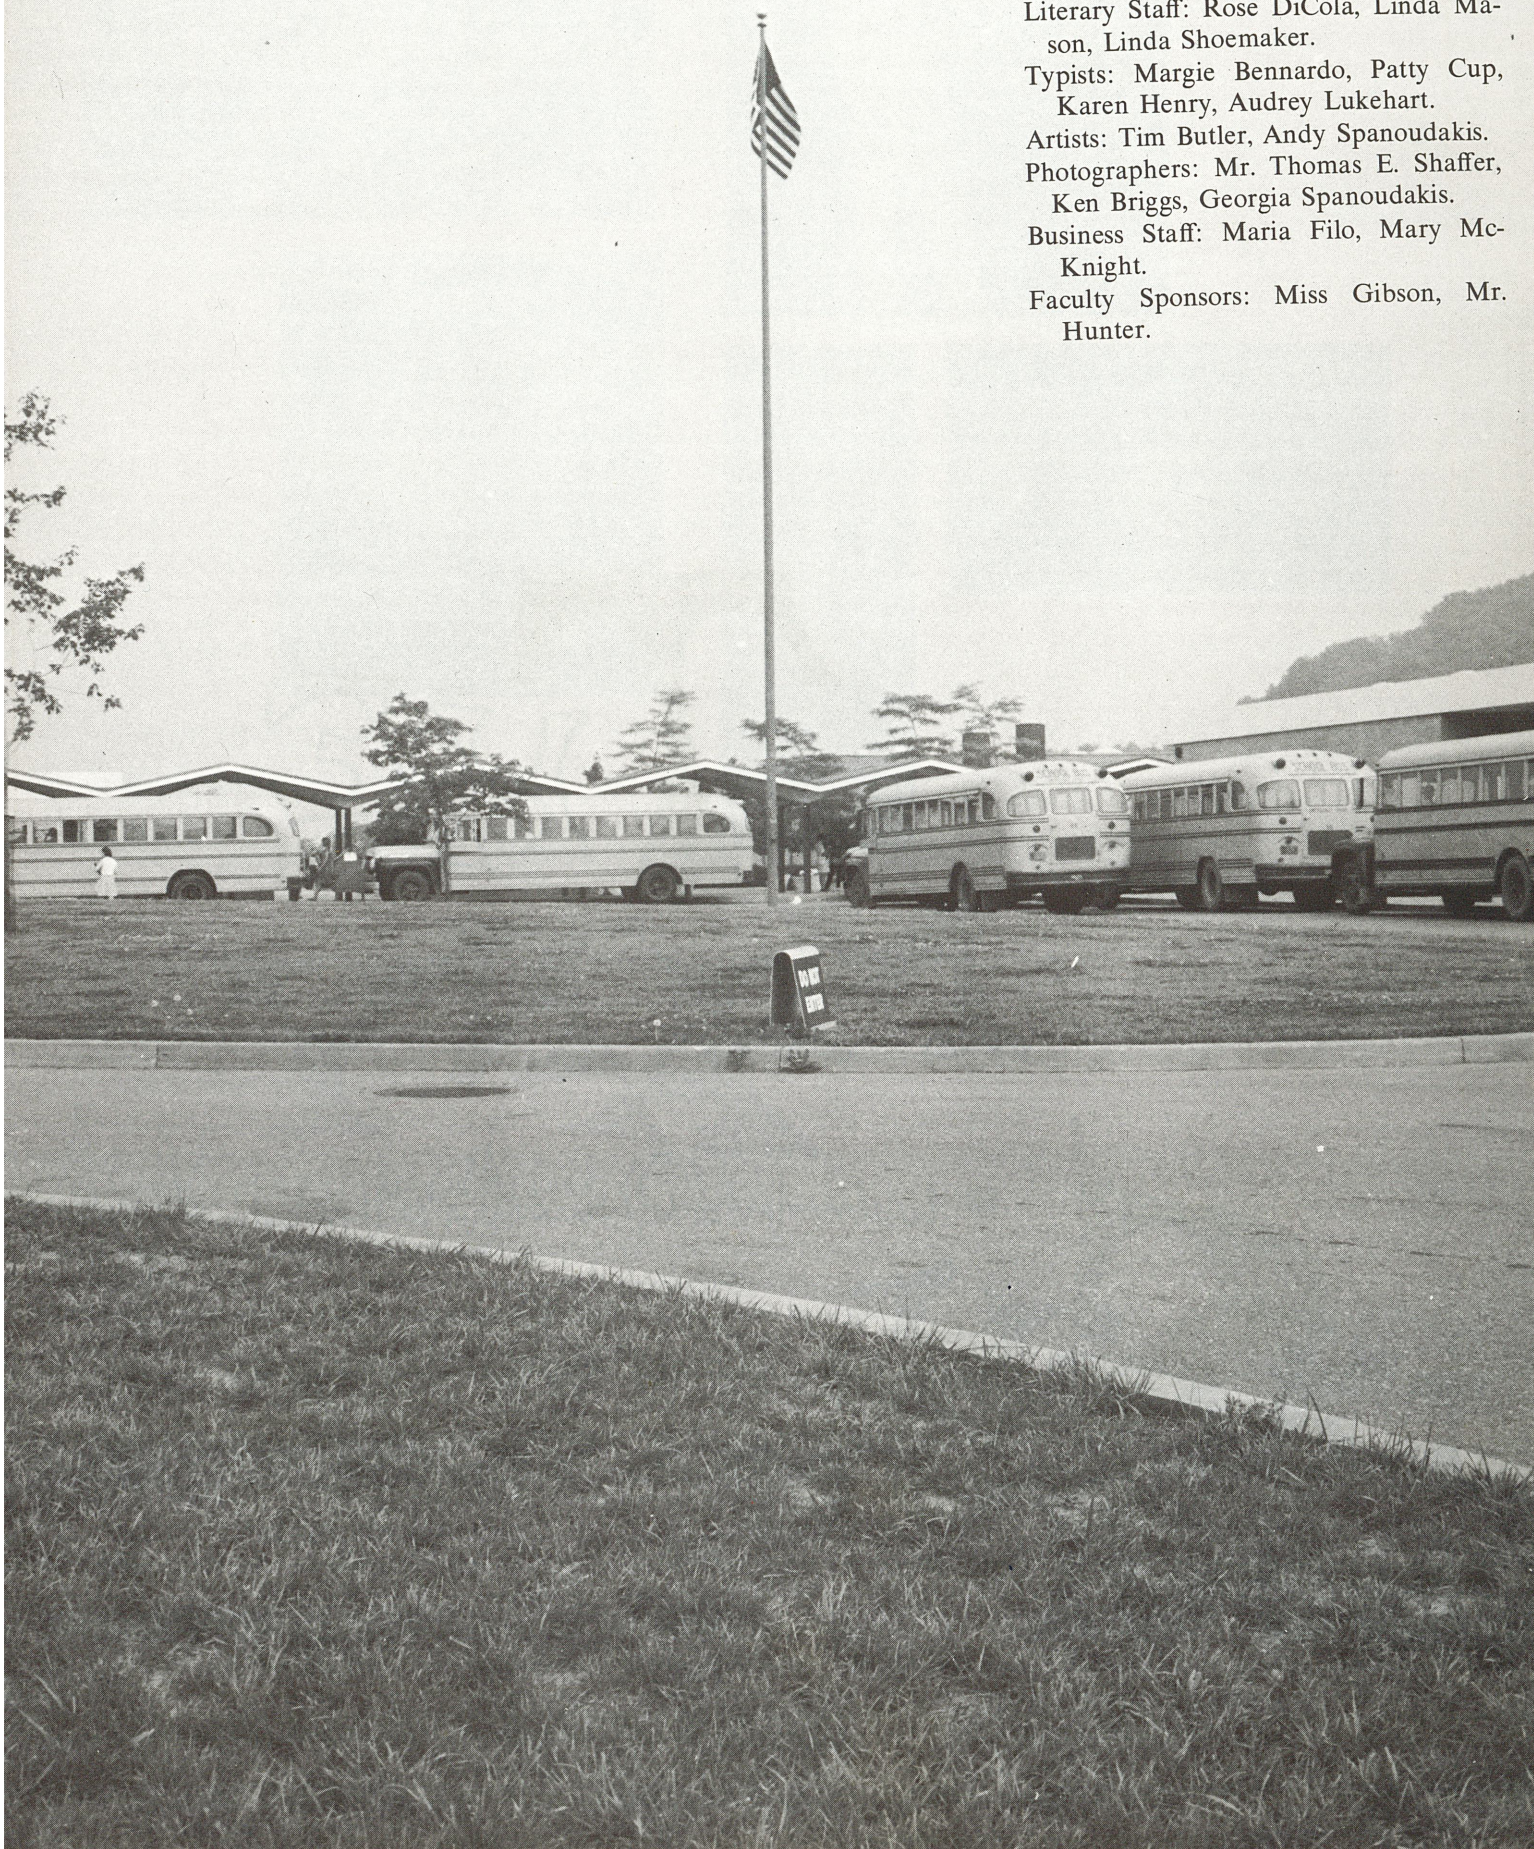

It seems we here at KISKI are always looking ahead to some big event. Last year as I sat down to write to you, the students, we were faced with an evaluation and the graduation of some six hundred seniors. Both of these events took place with quite favorable results and we ended a successful year.

Now we are looking toward a merger and the creation of an ever larger and better school system even as our CAMPUS has become larger and, we feel, better. Size in itself does not determine quality; however, big things cannot be done in a small way. As the CAMPUS in its growth has endeavored to add quality, KISKI will do the same.

As we close the school year 1965-66 and begin to plan for the 1966-67 term, we do so realizing that KISKI HIGH SCHOOL has a long way to travel. You, the students, graduates and undergraduates, will be the ones to lead - to show the way for those who follow . . .

Custodians Cafeteria Staff

Custodians "Call for five, please." Although these four words must sound very disgusting to our custodians, they never shun their duty to our school. As soon as they are paged, they rush to the office to handle whatever mishap or emergency may have occurred. But we must never forget the many "behind the scene" efforts performed by these faithful individuals. They worked many long hours to see that the floors shined and the windows sparkled. The Kiski *custodians* are, without question, a vital part of our school.

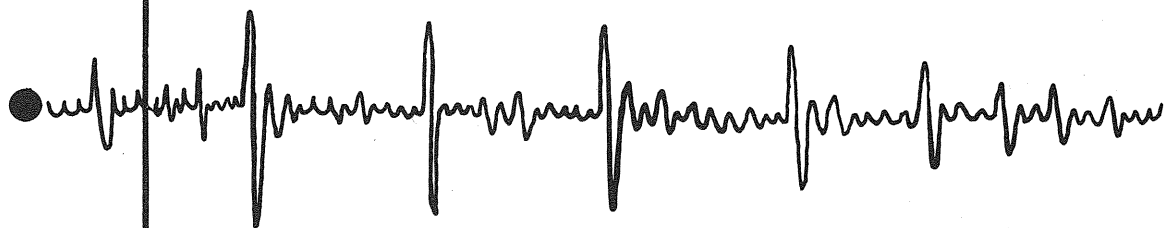

Cafeteria Workers Another group of workers offering service to Kiski Area is the cafeteria staff. These industrious women have worked continuously to prepare not only well-balanced meals, but also to provide a variety of foods for the student body.

This is the story of Organizations

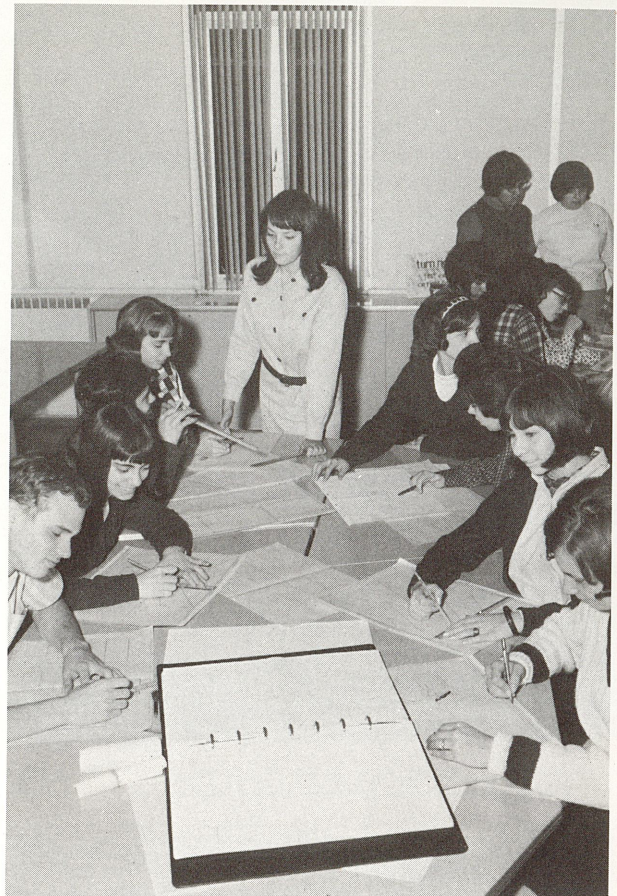

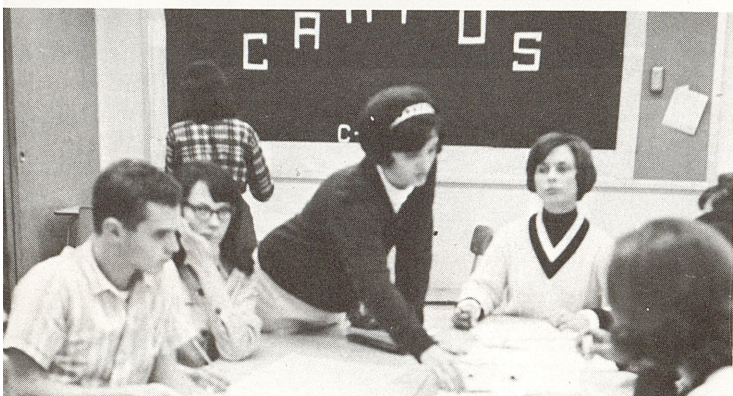

In future years with joy we will remember . . .
 Meeting people with common interests . . .
 Long exhausting evenings . . .
 Practicing for concerts or plays or assembles . . .
 The Big Night . . .
 A delicious chocolate cup cake from a bakesale . . .

Campus Captures

Sounds of

'66 . . .

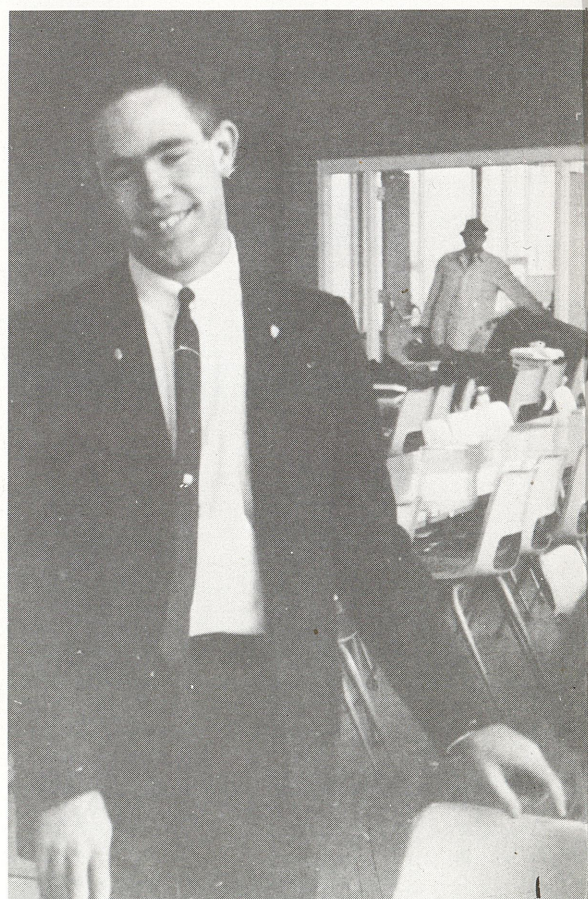

Campus The 1966 *Campus* staff, under the direction of Mr. Hunter and Miss Gibson, sponsors, and Marilyn King, editor, spent many busy evenings and weekends writing copy, cropping pictures and preparing layouts. In an effort to publish the best *Campus* ever, this year's staff introduced many major changes. The first and perhaps most noticeable of these changes occurred when the staff decided to switch from the standard-sized high school publication to the new collegiate-sized book. Another noticeable change is the use of a "modrian" style layout which replaced the formal layout of previous years. This work was done under the guidance of assistant layout editor, Barbara Zanos. To add a brighter touch to the yearbook, the *Campus* staff utilized the artistic abilities of Tim Butler and Andy Spanoudakis. Student photographers Ken Briggs and Georgia Spanoudakis provided true-to-life scenes by snapping many candid shots. Establishment of an organized working system was accomplished by dividing production duties into four major areas and by establishing the new position of Junior co-editors. This position was filled by Georgia Spanoudakis and Barbara Zanos. The editorial board, composed of Donna Fiscus, layout editor; Carol Battuello, literary editor; and Pam George, business manager, worked diligently to aid Marilyn King, editor, in meeting all deadlines. Not to be forgotten were the tireless efforts of typists Margie Bennardo and Audrey Lukehart.

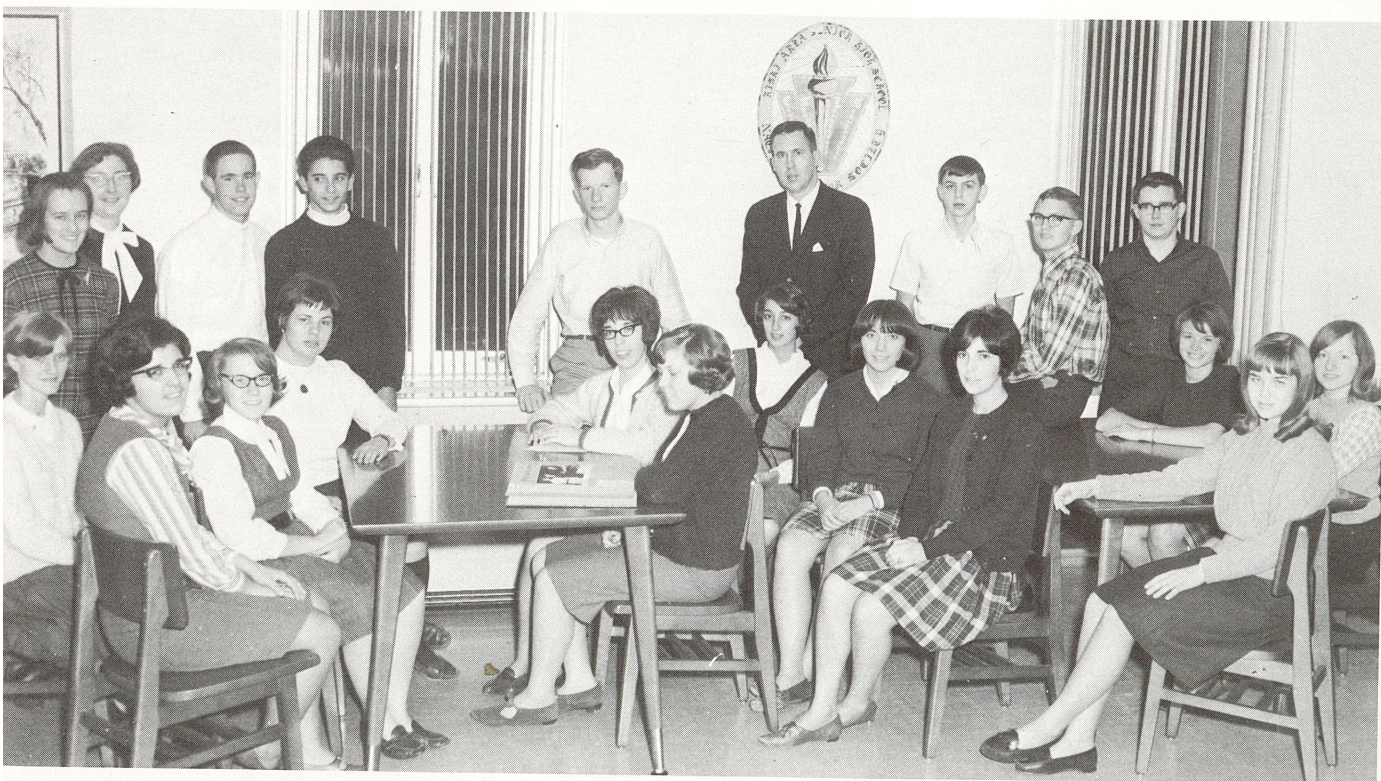

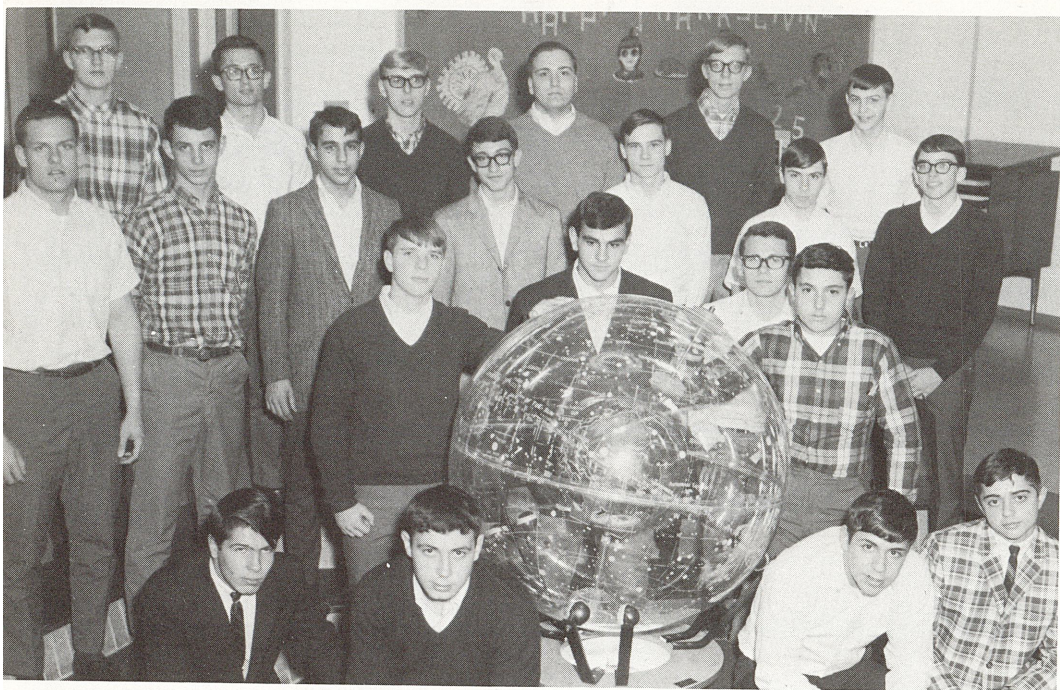

Student Council Under the guidance of Miss Klingensmith and Mrs. Bartlebaugh, the *Student Council* governed the student body. To promote school spirit, the members sold "We Believe" buttons and urged homerooms to display "We Believe" posters. They prepared the *Student Handbook*, a Cavalier's "indispensable" guide. With the money from ice cream sales at lunch time, the *Council* supported the program for foreign exchange students, held a banquet for the National Honor Society, and established a scholarship fund. The *Council* urged students to submit ideas for improvement by placing them in the suggestion boxes. At right, president Bill Tress led a discussion concerning one of these suggestions. Vice-president Rich Deforno observed his superior closely. Secretary-treasurer Pam Giunta assisted by Chrissy Smith handled the correspondence and finances. The four officers were elected last May. Under the *Council's* constitution, class officers who are elected in September, automatically become members of the organization.

Key Club The *Key Club*, headed by Mr. Daugherty, is a service organization which aids the school and community. It was affiliated with the local Kiwanis and offered to its members many worthwhile and rewarding experiences. Some of the *Key Club's* major activities this year included the directing of traffic and parking of cars at evening functions and the faithful cleaning of Davis Field following each home football game. All club members were given an opportunity to attend one luncheon meeting of the Vandergrift Kiwanis Club. In the upper right, we see *Key Club* members assembled around the globe which symbolized their service to all.

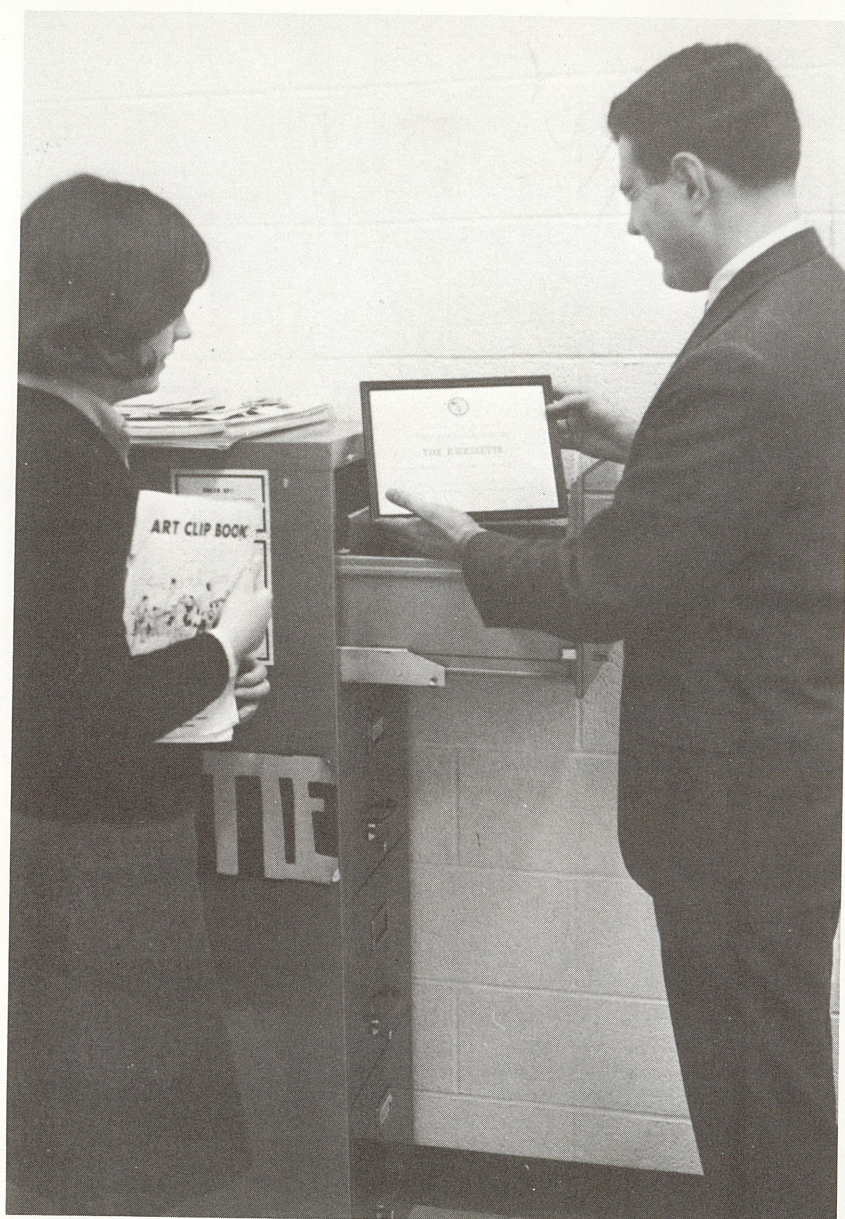

Distinguished Clubs Render Service

ational Honor Society One of the highest recognitions granted any high school student is election to membership in the *National Honor Society*. Kiski's *N.H.S.*, advised by Mr. Miller and Miss Gibson, promotes and recognizes development of outstanding abilities in the fields of character, service, leadership, and scholarship. In addition to *N.H.S.*'s annual Candlelight Induction, activities this year included presentation of a Patriotism Day Assembly and ushering school activities. The Kiski Chapter of *N.H.S.* also accepted invitation to conduct organizational induction ceremonies at Burrell Joint High School.

After the above photograph was taken, the following

juniors and seniors were January inductees into *N.H.S.*
Seniors: Amy Brewer, Mary Burkett, Mary Ann Golembiewski, Debbie Goodsell, Martha Leech, Marian Milanak, Judy Myers, Carol Votaskovic, Carroll Swarmer, Frances Williams, James Bolcar, Timothy Colbert, Richard Helnowski, James Hilty, Terry Moore. *Juniors:* Camille Bartman, Cindy Brown, Mary Jane DeCapito, Marilyn Duff, Claudia Kaminski, Patricia Matisz, Betty Mentzer, Chrissy Smith, Gracia Swarthworth, Frances Tola, Carol Walton, Dennis Bucci, Gerald Cappel, Richard DeForno, David Earhart, Robert Gailus, Johnston Glass, George Katona, George Miller, Peter Nelson.

Creative Writers Club Advised by Mrs. Kearney and Miss Keesey, the *Creative Writers Club* not only encouraged students to write, but also encouraged students to take pride in their writings. Any member of the student body could submit short stories, poems or essays for constructive criticism. The best of these works were selected by the club for publication in Kiski's first literary booklet of student writings.

Pictured below on the right, club members discuss their own rough drafts.

Kiskizette Many long hours of patient work after school resulted in the bi-weekly publication of the *Kiskizette*, our school paper. Advised by Mr. Jacobs, the *Kiskizette* endeavored to provide recognition to both worthwhile school projects and student accomplishments, to increase school spirit, to develop better interschool relations, and to offer journalistic opportunities to students with such interests. Besides publication of standard-sized editions, the *Kiskizette* published several six-page specials which gave recognition to such school activities as Homecoming, graduation, and the opening of basketball season.

UPPER LEFT: Mr. Jacobs and Francis Pinto view a *Kiskizette* certificate of award. **ABOVE:** *Kiskizette* staff members prepare to meet another deadline. **UPPER RIGHT:** *Kiskizette* editorial staff ponders over proper choice for a layout. **BELOW:** Typists prepare copy for next edition.

Students Expound Their Opinions in Print

Band Merits

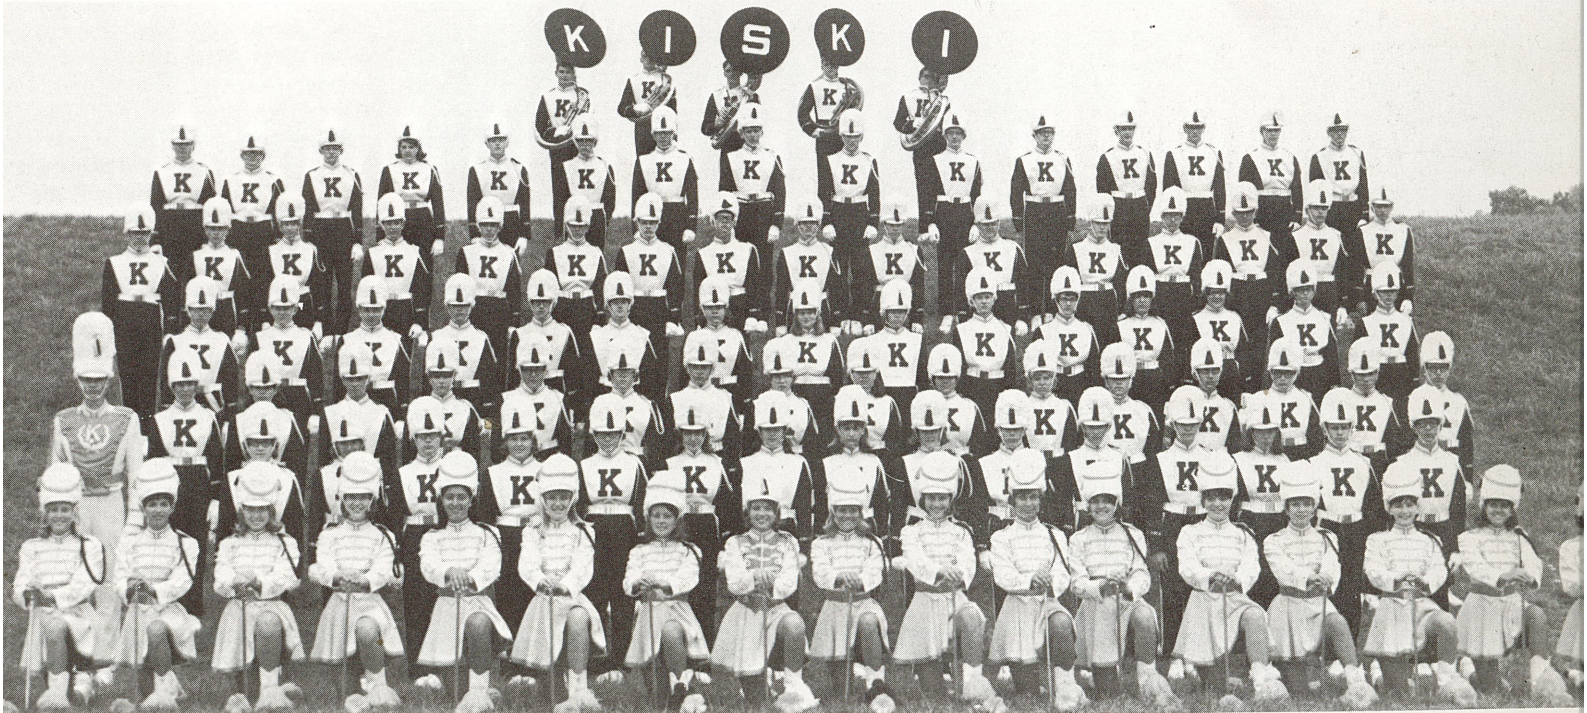

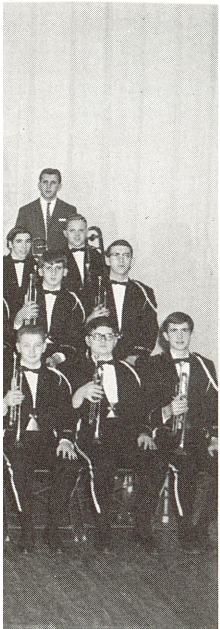

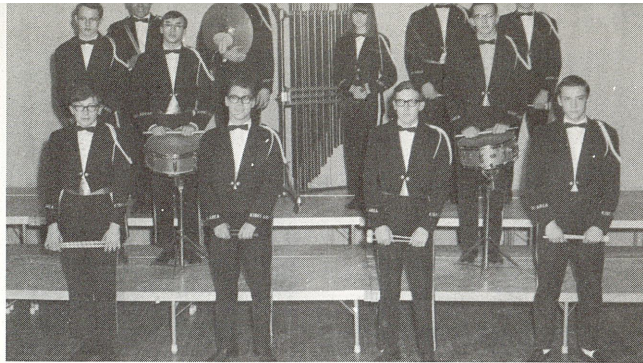

Various Musical

Marching Band "... It is our pleasure to inform you that the *Kiski Area Cavalier Band* has qualified as a **RUNNER-UP WITH HIGHEST COMMENDATION IN THE DISNEYLAND HOLIDAY MARCHING BAND SHOW CONTEST** ..." This exciting letter capped a busy, spectacular season for the *Cavalier Marching Band*. Thousands witnessed their exhibitions at the Alle-Kiski Festival in New Kensington, the Festival of Bands in Beaver Falls, and the Kaufmann's Thanksgiving Day Parade in Pittsburgh. In October, the *Big K Band* received a standing ovation as a reward for their pre-game presentation at the Steeler-Cardinal game. The hot black pavement, blazing sun, sore feet and Jim Kaszubski's "one more time" had paid off. Our band was commended as one of the "greatest" as a result of not only these painstaking practices, but also the originality and patience of one man — our "Mr. C."

Concert Band Organized in November, the *Concert Band* perfected their intonation and was achieving a good balance by the time of the Christmas assembly. Kiski was host to the Honors Program which was a select group from Alle-Kiski Schools. As the big night approached, the program slowly took shape — a bit of Latin music, a few fast paces, and a big "thank-you" to "Mr. C."

Acclaim Through Endeavors . . .

Majorettes While it is true that the band contributes a great deal of color and excitement to the Friday night football games, another of the real eye-catchers is our eighteen *majorettes*. These energetic girls spent their summer preparing for the coming football season. Their colorful and rhythmic routines included a variety of twirls and dances. Led by Lorraine Plucinski, they created an added touch of spirit for our spectators. When the Cavaliers were behind, the bitterness and discouragement were relieved when these eighteen visions of beauty came on to the field performing a snappy routine.

Music Motivates Relaxes

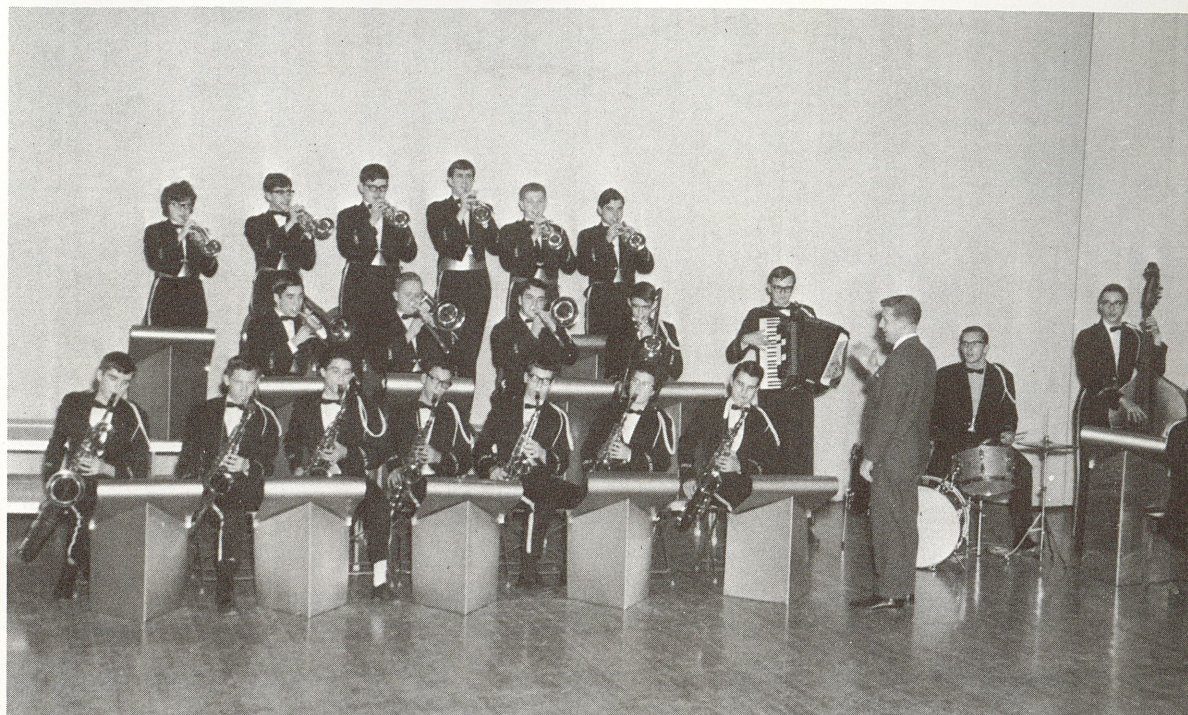

Wind Ensemble The *Wind Ensemble* was an honors group which performed for special programs and exchange assemblies. The *Ensemble* provided the thirty members with an opportunity to play more difficult Dance Band music. For those students who had interests in dance music, there were two Dance Bands. One, Dance Band B, was purely to train underclassmen. The other, Dance Band A, participated in Dance Band Festivals at Har-Brack and Greensburg.

Jazz Ensemble Kiski's *Jazz Ensemble* was composed of seven talented students who enjoyed performing popular music for various school and community functions. Although membership is limited, qualification requirements mandate that students belonging to this group possess musical talent beyond that of the average student. Commercial material is limited for this type of organization. Consequently, the director, Mr. McClland, frequently found it necessary to provide original arrangements.

Glee Club Personal enjoyment coupled with audience entertainment comprised the motivating goal of the *Glee Club*. The individual's performance in this organization is, therefore, an integral part of the Concert Choir; thus, no special testing or grading is necessary.

Concert Choir and Mixed Chorus "Wherever there is good music there is harmony — where there is harmony there is good citizens" . . . Moore The personnel of both the *Concert Choir* and *Mixed Chorus* is limited to a maximum of 100 students. The Choristers must have the permission of the director for admission. At least twice a year Chorus members are given a comprehensive vocal test. The grading of each individual member is achieved through observations of the student's value to the group by the director. Materials to be rehearsed, interpreted and performed by this organization are selected by the director. The time, effort and patience exhibited by these students were highly rewarded when they reached a pleasing plateau of harmony at the annual spring concert.

*Wherever There Is Music,
There Is Harmony*

Dramatics Club "To be, or not to be: that, is the question: " Since Hamlet has spoken these famous words, Kiski students have been wondering when they would have an opportunity to perform on stage. Through Miss Klingensmith's and Miss Krehlik's ingenuity, a method for grouping Kiski's dramatically talented students was devised. Dramatics I was composed of students from the Sophomore Class and those Juniors who were inexperienced in drama. Introducing students to all aspects of staging and developing a sincere student interest in dramatics were the goals this group strived to accomplish. Dramatics II was comprised of experienced Juniors and Seniors who were interested in some phase of dramatics.

Stage Crew The Stage Crew, advised by Mr. Tarosky and Mr. DeSantis, worked industriously to construct much of the scenery used in Kiski's many stage productions. Supervised by their advisors, the boys made stage sets, did painting and prepared special props.

Light Crew Six industrious boys, under the direction of Mr. Mullen, handled the lighting for all the theatrical performances at Kiski this year.

*Tears, Quotes, Lights,

*. . . Students Express
Emotions and Ideas*

Debate Club Sponsored by Mrs. Crossan, the *Debate Club* was organized for learning the accepted practices of debate for personal development and enjoyment. At the beginning of the school term, the *Debate Club* ruled to exclude all extra activities so that all time and effort could be devoted to perfecting debates. At every meeting debates were given by opposing two-men teams on a controversial topic. Through the discussion of sundry topics, *Debate Club* members became better versed on world affairs.

Above: Mr. Andritz delivers an inspirational lecture on the treacherous war in Vietnam.

Middle left: "... And these were the principles America was founded upon."

Bottom left: Enthused *Debate Club* members sit quietly anticipating an address by none other than "John Klobuka."

Top right: Mr. Nicholas leans back and relaxes as he watches Michele Stone preside over the Political Science Club meeting.

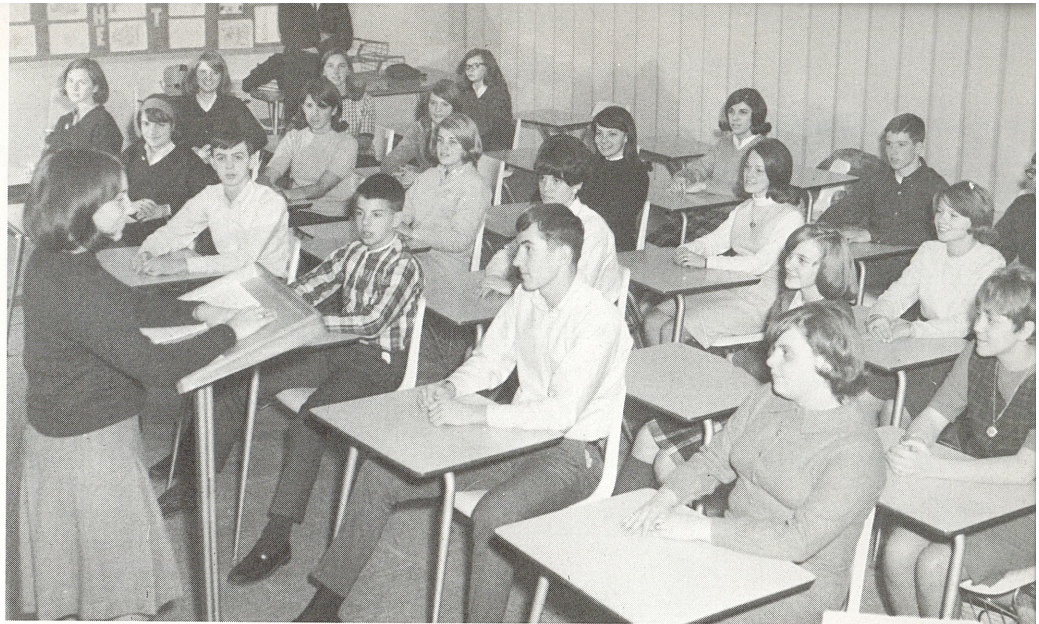

Bottom right: The Thespians take a short breather after long hours of hard work.

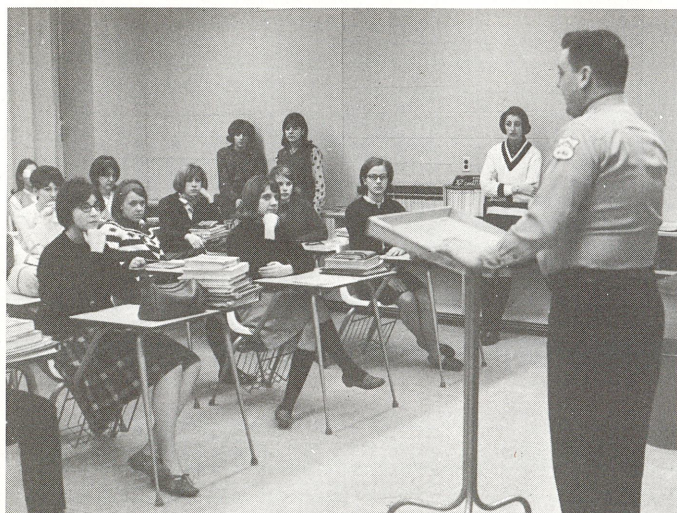

Thespians The *Thespians*, sponsored by Miss Klingensmith, strived to develop skills and creativity in dramatics. They assisted with the production of the Christmas and Easter programs plus several other assemblies. In order to become a Thespian, Dramatics Club members must accumulate fifty hours of work in dramatics. This may be done either backstage or as a play cast member. The many hours of applying makeup, designing props, memorizing lines and running last-minute errands becomes worthwhile when a Dramatics Club member earns the right to be called a "Thespian."

Political

Issues

Spur Interest in Debate

Political Science The purpose of the *Political Science Club*, under the direction of Mr. Nicholas and Mr. Andritz, was to prepare and inform students of their citizenship responsibilities in the home, school and community. In addition, the 50 members were made aware of America's leadership and responsibility to the world. Included among the year's speakers was the mayor of Vandergrift, Richard J. Hunger. One of the main features of the past year was a political debate between Judge Joseph H. Rial and Judge Richard McCormick, opposing candidates for Judge of Orphan's Court. The debate was sponsored by the club, but was held in the auditorium and was open to the entire student body. The club also planned, as a charitable act, to send CARE packages to Vietnam or one of the other distressed areas of the world.

Language Clubs Cultivate International Understanding

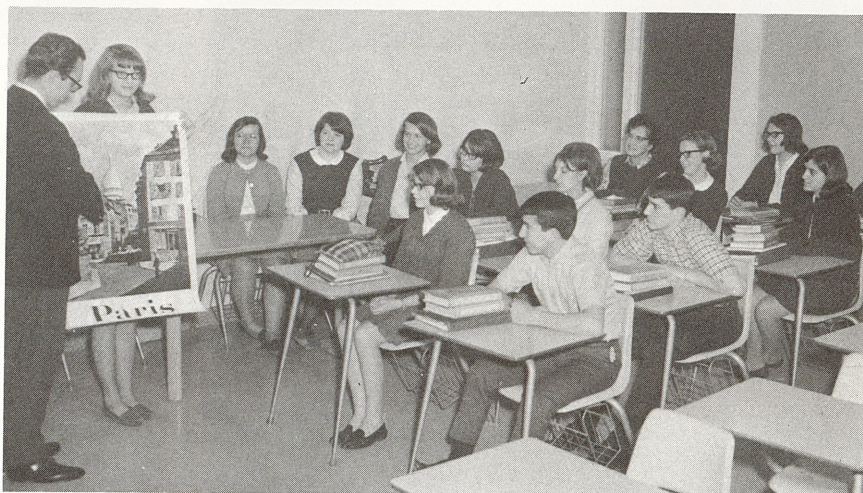

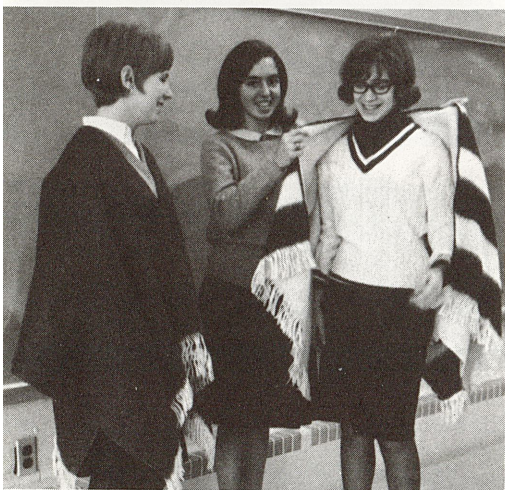

French Club J'ai trop faim! . . . This is an idiom of the French language. The *French Club*, which was under the sponsorship of Mr. Klingensmith and Mrs. Black, endeavored to promote interest in the language and customs of the French people. The *French Club* conducted French skits during meetings, led special devotions on French holidays and sponsored a scholarship for a French student. In joint co-operation with the other language clubs, the *French Club* climaxed the year by participating in the festive multilanguage banquet.

German Club Darf ich vorstellen . . . Kleines Deutsehland, literally means; "May I introduce 'Little Germany'." *German Club*, one of Kiski's newest clubs, was composed of fifteen students who were interested in learning more about German culture.

UPPER LEFT: Only the photographer can keep these zealous students from conversing in French. **ABOVE CENTER:** Mr. Klingensmith reminisces about his trip to France as a college student. **RIGHT:** "Now I know how it feels to wear a hearing aid."

Latin Club "Possunt quia posse videntur" which literally means, "they can who think they can" is the motto *Latin Club* chose as its stimulus for the year. Although a relatively new organization at Kiski, the *Latin Club* earned recognition this year by affiliating itself with both the National Junior Classical League and the Pennsylvania Junior Classical League. Mrs. O'Bryan, the *Latin Club's* sponsor, outlined its purpose as being to foster a friendly interest in the classics, to develop in its members an appreciation of ancient art and literature and to furnish an opportunity for pleasurable learning about the Romans and their civilization.

Spanish Club "¿Cómo está usted?" The members of the *Spanish Club* laugh with embarrassment as they recall the first time they tried unsuccessfully to repeat this Spanish idiom. Under the direction of Miss Stevenson and Miss Klingensmith, *Spanish Club* members were provided with opportunity not afforded in the class room to further their Spanish-speaking abilities and to learn of the Spanish culture. In order to provide a \$100 scholarship to a worthy senior planning to major in Spanish, the club sold three-ring notebooks with Kiski Area's insignia engraved on the cover.

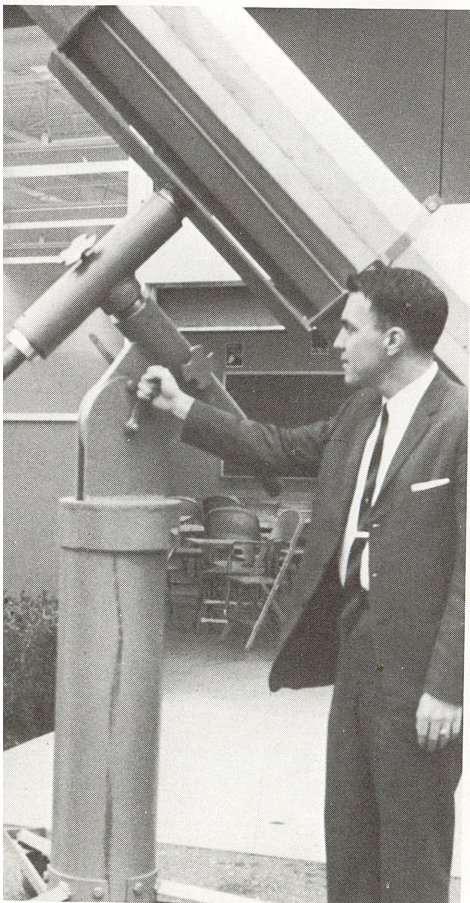

Math Club The *Math Club*, sponsored by Miss Gregory, consisted of twenty-five members who met bi-weekly to extend their study of mathematics to information not covered in the classroom during the regular school year. Activities for the year included detailed study and presentation of advanced mathematical problems.

Above, Carroll Swarmer solves a difficult problem.

Sciences Probe the Unknown

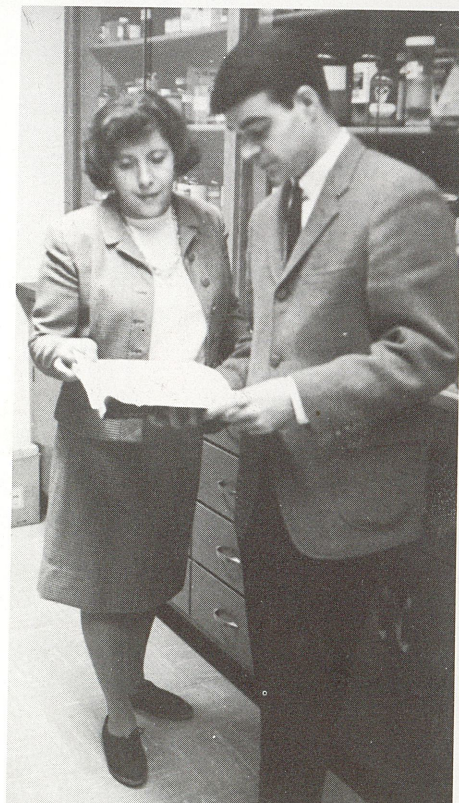

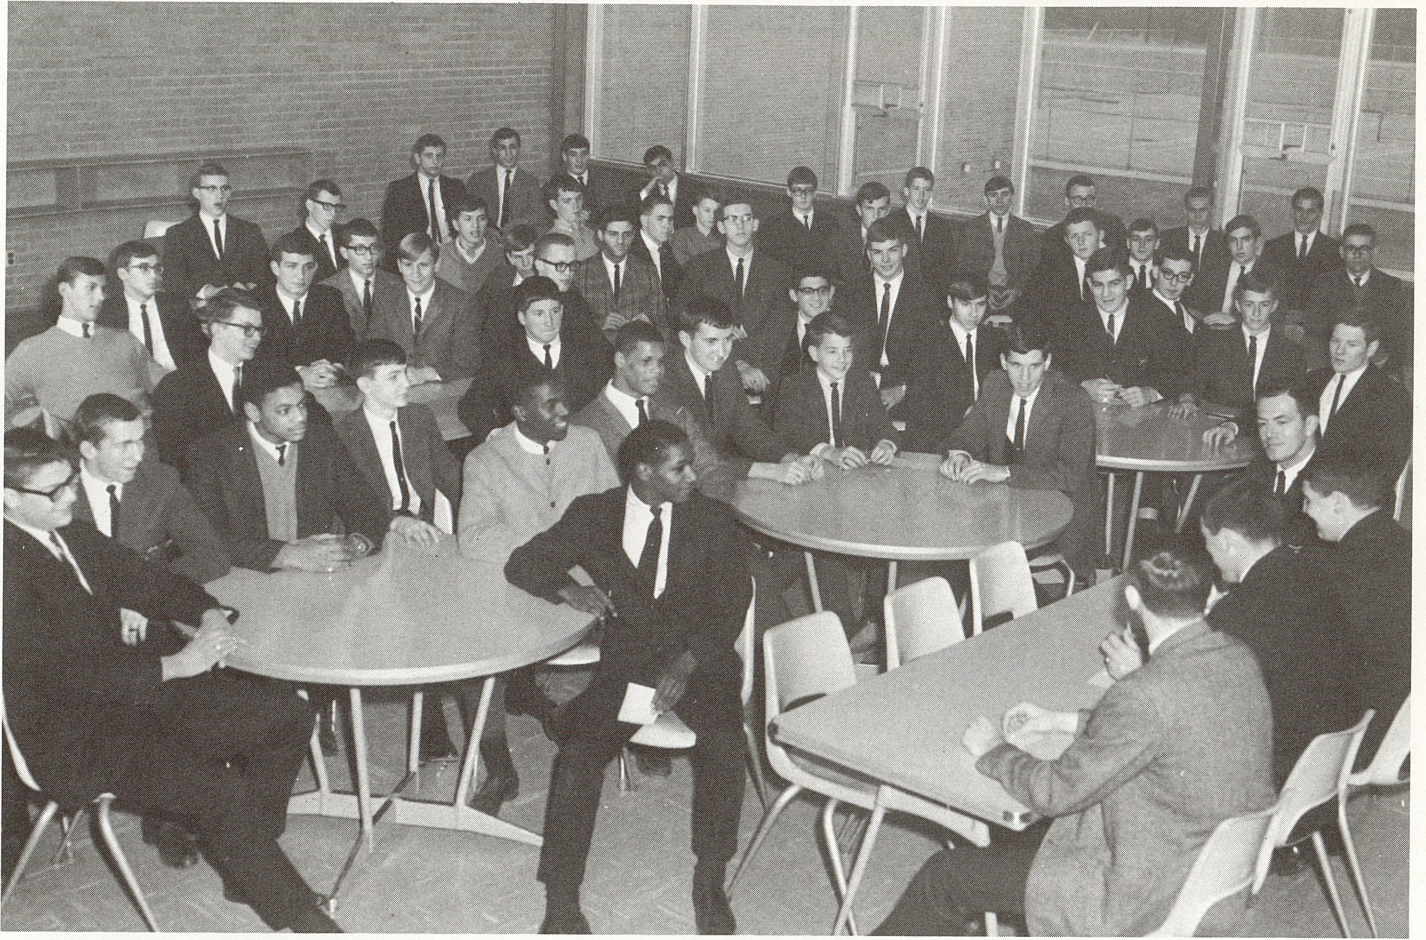

Astronomy The *Astronomy Club's* purpose is to instill in every member a better knowledge of the science of astronomy and to create a higher interest and curiosity about the universe. The club spent several evenings, under the guidance of Mr. Yajko, observing the planets through their 12½ inch reflecting telescope, which they completely constructed themselves. The largest in the area, it is valued at \$2000. All of Kiski can be proud of this club's accomplishment.

In the upper left picture, students are preparing for an evening observation.

Chemistry Club The *Chemistry Club*, sponsored by Mr. Varine and Mrs. Kelly, stimulated interest in chemistry and science and provided opportunities for student expression through laboratory demonstrations, projects, and reports. The club sponsored the annual Science Fair and various field trips. For the first time, it associated itself with a national group. This affiliation provided club members with additional opportunities to compete in nationally-sponsored scholastic and scientific programs.

Outstanding Athletes

Boost Kiski's Gym Program

Varsity Club "Congratulations! I'm very proud of the fine work that you have done." Just the thought of these words add an extra sparkle to any American boy's eyes. Those long hours of football practice under the blazing hot sun, those strained muscles from too many exercises, and the constant leaving of parties just when the fun is beginning, pay for themselves in the end, when he can hold that long desired letter between his fingers. He's in! He has now earned a letter in one of the inter-scholastic sports at Kiski, and is eligible for membership in the *Varsity Club*. These industrious boys, advised by Mr. Dilts, strived to foster athletics throughout the community as well as school, and to encourage inter-scholastic sports. Hearing Bill Elias, Navy football coach, deliver a speech at the Annual All Sports Banquet held in honor of these boys highlighted the year. The boys not only raised money to buy varsity jackets, but also performed various services at all sports events, and helped to officiate at intramural sports.

"300" Club The "300" Club is a new club at Kiski which functions in accordance with the Athletic Department. The only membership requirement is that an athlete must earn three varsity letters in one school year. At the time of printing, there was only one member in the club — Joe McCain. (This zealous boy should be given praise and acclaim).

Leaders One of Kiski's newest organizations is the *Girls' Leaders*. These twenty-seven lassies helped Mrs. Ainswine and Miss Purvis conduct the girls' physical education classes. The helpers willingly sacrificed their study halls and any spare activity periods to improve the girls' athletic program. When supervising a gym class, they took roll and led the exercises. These young ladies financially aided the girls' athletic program by sponsoring several bake sales and car washes. With the money raised they purchased pins, letters and awards which were awarded to our girl athletes during a spring assembly. *Girls Leaders'* counterpart, *Boys' Leaders*, provided opportunities of leadership for qualified boys to aid in the instruction of physical education.

Vocational Clubs Develop Individual Interests

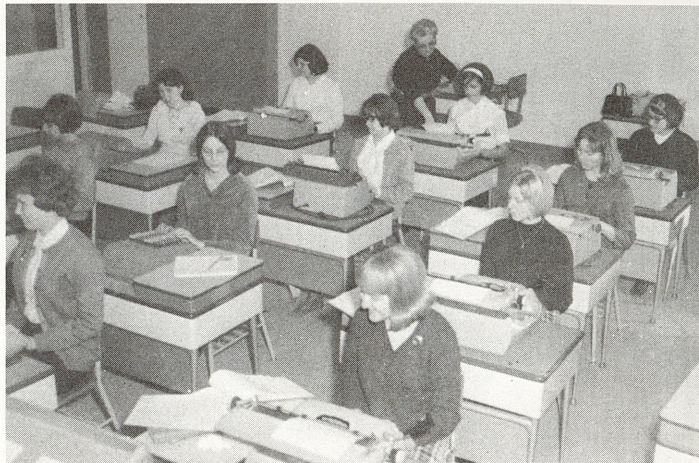

F.H.A. "Ouch! I burned my finger!" A look of pain and disgust overcame the victim's face. Although burnt fingers was only one of the many problems which plagued the Home Ec Department at the beginning of the year, the girls found that they could reduce these handicaps by joining the *Future Homemakers Club*. Under the direction of Mrs. Wilson and Miss Beck, the *F.H.A.* members strived to create better understanding of home-making, to promote better home life and to foster cooperation among families and friends. Packing Christmas food baskets for the needy was their service project for the year. Through profits netted from fruit-cake and vanilla sales, the *F.H.A.* was able to establish a fund designated for carpeting the dining and living room area in the Homemaking Department.

F.B.L.A. The *F.B.L.A.* sought to create more understanding and interest in the choice of business occupations through participation in worthy undertakings for the good of business, the community and the school. Under the energetic direction of Miss Wingert, the *F.B.L.A.* has become one of Kiski's most active clubs. The activities performed were the participation in state and regional meetings, selling refreshments at home football and basketball games, providing baskets for the needy during the holidays, and working for a day in various business offices.

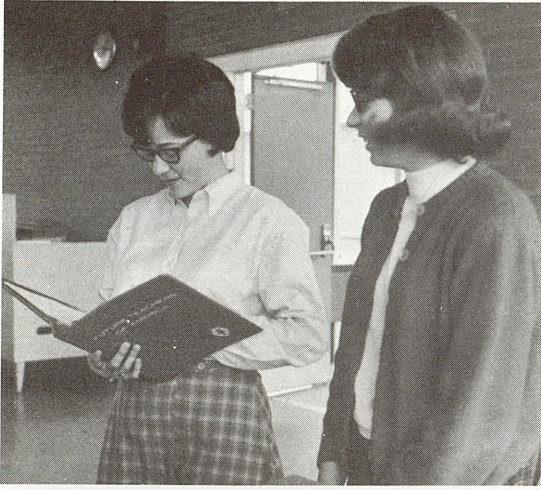

and Abilities . . .

Future Nurses Mrs. Martinisko, our school nurse, sponsored the *Future Nurses* Club this year. In addition to stimulating interest in health careers and exploring the opportunities of these careers, the *F.N.A.* sponsored scholarships for deserving students entering nurses' training. Their many activities this year included their annual tour of a local hospital, and the collection of cards, cancelled stamps, and nylons for missionary workers. The club also held a bake sale the proceeds of which were sent to Children's Hospital in Pittsburgh.

Insights to Career

Future Teachers of America The *Future Teachers of America*, under the guidance of their new advisor Mr. Iagnemma, endeavored to familiarize themselves with the available career possibilities in the field of education. Highlighting the club's fall activities was a Candlelight Induction program for the club's forty members. Several months later, *F.T.A.* members could be found selling Kiski pens. The proceeds from this activity were used to finance the club's major activity for the year — a guided tour of Indiana University of Pennsylvania in mid-March.

Tri-Hi-Y Exemplifies High Character Through Service

Tri-Hi-Y The Senior *Tri-Hi-Y* advised by Mrs. Lace, the Junior *Tri-Hi-Y* advised by Mrs. Black and Miss Keesey, and the Sophomore *Tri-Hi-Y* advised by Mrs. Kearney and Mrs. Grossheim strived "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." Co-ordinated by Miss Weamer, the three clubs participated in various activities. These included conducting Friday morning devotions, presenting the Thanksgiving Assembly, going Christmas caroling, attending several district events and an induction of new members at an impressive candlelight service.

Cheerers Boost the Vitaly Needed School Spirit

Varsity and Junior Varsity Cheerleaders The purpose of the Senior and Junior Varsity cheering squads was to strengthen school spirit and lead organized cheering at games and pep rallies. They constantly strived to increase the students' pride and loyalty to their school. Perhaps one of the most exciting things the cheerleaders did was to attend the Camp of American Cheerleaders Association held at Ohio Wesleyan University last summer. The other activities performed included cheering at varsity football and basketball games, pep rallies and the bonfire. The J.V. squad's activities consisted of cheering at J.V. football and basketball games, wrestling matches and swimming meets. They also participated in the pep rallies and the bonfire.

Pep Club "We Believe!" "Hustle! Hustle! Hustle!" . . . Faces of the members of the *Pep Club* glowed with enthusiasm as they assisted the cheerleaders with the development of spirit throughout the hearts of our student body. Under the guidance of Miss Stevenson and Miss Gregory, club members have endeavored to carry out this task, not only by cheering at the games, but also through the faithful distribution of colorful signs and tags. The club's major project of the year was to provide bus transportation to the away games. Following tradition, the club sold beautiful mums for the Homecoming Football Game.

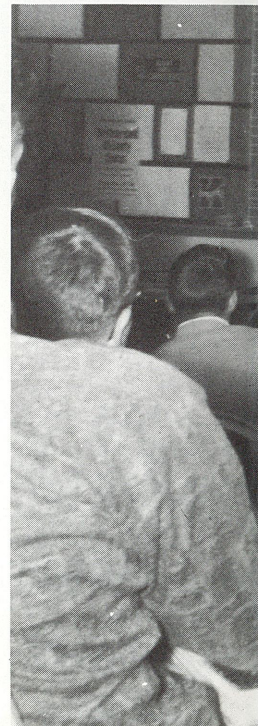

We Exist for Mutual Service

Library Club One of the most active organizations at Kiski was the *Library Club* which aided Mr. Kulas in efficient operation of our library. All of the club members participated in the processing of books for student use. Processing books includes the typing of book cards and the lettering, stamping and spraying of all new books. The club's main goal for this year was to raise sufficient money to purchase plastic book jackets for all new library books. Above, the entire club was performing their assigned tasks.

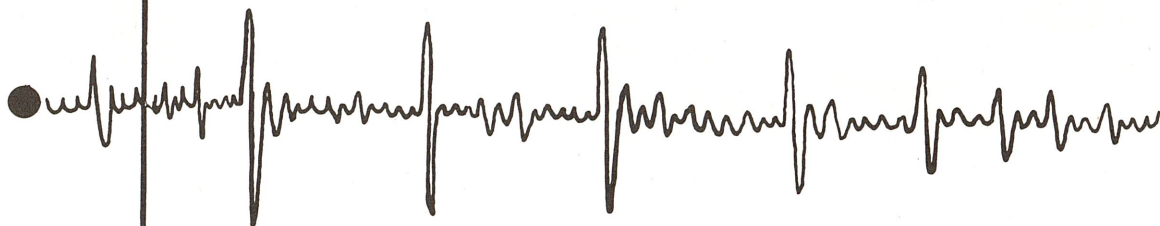

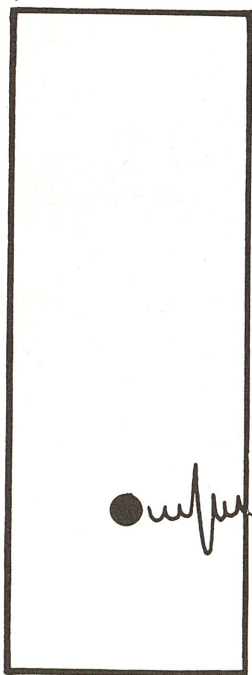

Hi-Y With Mr. Bassitti as coordinator, the Hi-Y was divided into three categories — Seniors, advised by Mr. Staney; Juniors, advised by Mr. Borgo; Sophomores, advised by Mr. Kalchthaler. The purpose of the organization was to create, maintain, and extend throughout the home, school, and community high standards of Christian character. Among the club's many activities this year were Christmas caroling, attendance at the district athletic meet in Butler, participation in the Thanksgiving Assembly, and assistance with the presentation of Friday morning devotions. In the above center picture, Hi-Y boys pause for the photographer.

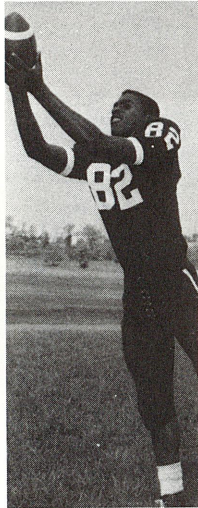

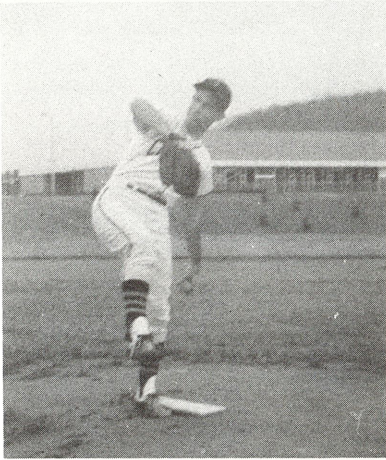

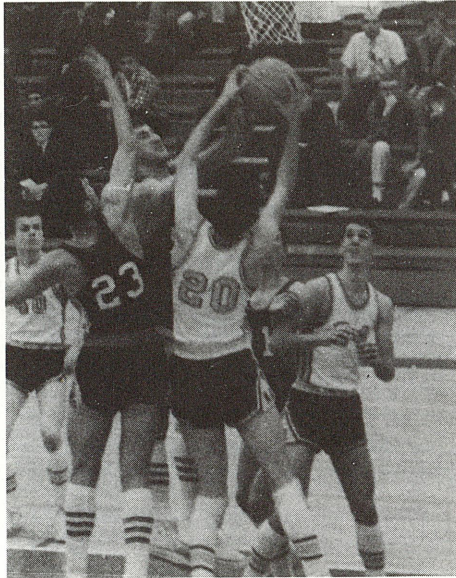

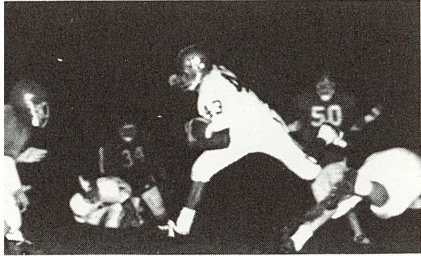

Audio-Visual Mr. Coffman and the members of the *Audio-Visual Club* had the task of maintaining, operating and scheduling the school's audio visual equipment. Without this small group of industrious boys, efficient operation and usage of the school's audio-visual equipment would have been impossible. In the upper right hand picture, club members are studying the mechanics of one of the school's many machines.

To Be Successful . . . You Must Believe

We have a saying here at Kiski Area: "A team is as good as the players on that team." We ended with a season record of five wins, four losses, and one tie. But that does not give any indication of the type of team we had. Our boys were "Great." They were the best we have at Kiski Area, and I am very proud of them.

What do we mean by "Great"? Any young man, who participated in the wonderful game of football, regardless of the outcome, is "Great" in my opinion. This doesn't refer to those boys who quit the team, but to those who remained on the team throughout the year. Our boys never quit. After four disappointing games, they bounced back to win again. These four games could have just as easily been won if the breaks had gone our way. In other words, our boys, although they lost some games, were never beaten badly. Why? Because they never gave up, they were "Great," they were Kiski Area! The same can be said for the fine coaching staff with whom I have had the pleasure of working during these past four years. Words can not begin to express the sincere appreciation and admiration which I have for these five gentlemen — they are the "Greatest."

"To Be Successful — You Must Believe." I believe our boys did a tremendous job. They represented Kiski Area in the finest of tradition, and I know that the students, faculty, and administration are as proud of them as we, the coaching staff, are. If they meet life's challenges in the same manner as they did football, then I know that they will be successful.

*Work and Desire
Yields Success . . .*

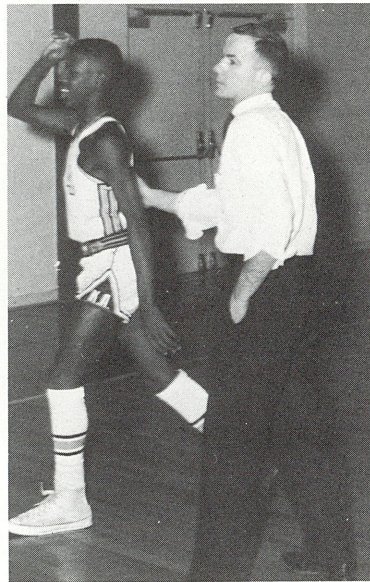

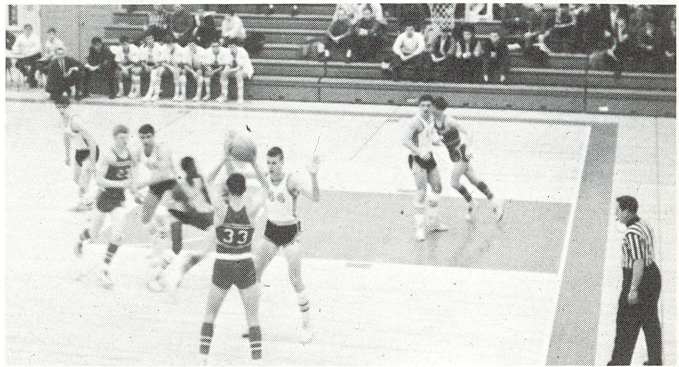

asketball The 1965-66 edition of the Kiski Area Basketball team established what is hoped will become a school tradition. This tradition might be summed up in one word — HUSTLE. The basic principle of this philosophy is that each player expend a maximum of effort every second he is on the court. With this as their guideline, the 1965-66 Cavaliers overcame an early season record of 2 and 11 by winning 8 out of their last 9 games to finish with a respectable 10 won and 12 lost record for the season. In section 1 A, the Cavaliers finished in third place, just one game behind second place New Kensington whom the Cavaliers defeated twice during the season. There were many observers who felt that Kiski Area was the *best* basketball team in the section at the close of the season. Mr. Andritz, Kiski Area's first year coach, summed the season up this way, "My immediate objective at the beginning of the season was to develop a winning team and a feeling of pride in this accomplishment for each player. This year's players worked harder than they were able, they learned what *excellence* and *perfection* mean, they learned the meaning of *discipline* and they learned to *appreciate* competition in its truest sense. These things are important not only in basketball, but they are also the key to education and success whatever your chosen field may be. These kids helped me to achieve my objective."

Tennis Kiski Area's Tennis team has gained valuable experience in jumping over the net, while they were capturing a championship 12-0 record. A championship team must possess desire, determination and stamina. Kiski Area's Tennis team had all these potentials combined in a group of five boys: Jack Danley, Denny Ruggeri, Zeke Fantino, Lonnie Czusack, and the late Tom Ames. Although at the time of printing the 1966 Tennis team was just being formed, Kiski fans were anxiously awaiting another successful season — this year under the guidance of Mr. Frank Morea who replaced Mr. Paul Weisman as coach.

Girls' Basketball To a few girls at Kiski, the feel of a hard basketball in the palms of their hands makes them feel wonderful. Many times at varsity contests, these girls have felt the urge to aid our "hardwood five" in downing their opponents. These ambitions were partially fulfilled by the creation of a girls' basketball team. Team members compete with girls of other schools, trying to develop and use skills they have learned in their physical education classes. Through the leadership of Kathy Libent, captain, and Cheryl Soska, co-captain, the team worked in continued earnestness to complete a successful season.

Girls' Gymnastics Whoops! I fell again! But this time I'm really going to do it. . . . Although many problems such as this one seemed to evoke the girls' gymnastics team in its first year of competition, they have shown much improvement. The girls have put forth a great deal of time and energy to learn new skills previously unknown to them. The co-captains, Linda Riggle and Sylvia Mitchell, have encouraged their teammates to develop courage, endurance, poise, and grace. These girls have learned through experience that "practice makes perfect." With most of the girls in their sophomore year, it is hoped that this year's experience combined with next year's hard work will make Kiski Area's Girls' Gymnastics Team "No. 1."

Boys Gymnastics — 1966 Under the able leadership of co-captains, Larry Beattie and Steve Nelson, the Kiski Area Varsity Gymnastics Team, in its second year of competition, has made a name for itself and has given many of the older, established teams in the area something to think about. Time, effort, and hard work by all the team members have enabled them to constantly improve. Outstanding performances by sophomore, David Haugh, constant high scorer for the past two seasons, have sparked the team to impressive showings against more experienced teams. The interest shown this year by the student body predicts a growing future for gymnastics at Kiski.

Wins Attributed to Stamina and Determination

Swimming Mr. Gatto's incentive and the swimming team's cumulative efforts all contributed to the positive attitude exemplified by the team. Because Kiski has no pool of her own, the boys are forced to practice and compete in the Vandergrift Junior High pool. Despite this situation, Kiski's water-lovers brought honor to their Alma Mater when Jack Bills, junior, established a new record by doing the 100-yard Butterfly in 1:10. Near wins and wide-margined defeats combined with tireless determination to yield a sturdy foundation in preparations for November, 1966!

Cavalier Nine Enter Playoffs

Baseball The spirit and ability of the '65 baseball team was shown by its league record of 8 and 3. Their efforts did not stop until the final out of the season. With coach Egelsky on leave, Mr. Veselicky put the team through its paces. Pitchers Bill Tress and Jerry Fredrick checked the opponent's efforts. Catcher John Voyten prevented many opposition runs from scoring. The team finished the regular season play tied for the section lead. However, it was defeated by Kittanning 5-4 in the section play-off at Freeport. The score was 5-0 Kittanning when the Cavaliers' streak began. The streak was halted just short of victory. With the score 5-0, the four run spirit demonstrated the persistence and desire of the Cavalier team.

Cindermen Complete Successful Season

Track As a result of hard work and strong determination to excel, the 1965 Cavalier track squad won ten of their twelve meets. In four of the ten victories, the team scored over a hundred points Mr. Halli attributed his fine season to a total team effort. The track team consisted of thirty-five thinclads. Of this number, twenty-five earned letters. Eleven lettermen returned to form a nucleus for this year's team. Besides participating in several triangular meets, the Cavalier cindermen accomplished a number of outstanding feats. Among these were Larry Ross's record-splitting 1'0" pole vault, Ivan White's triple jump of 40'1", Tom Froncek's mile run in 4'43" and John Gayleski's javelin throw of 212'9".

THE SOUNDS OF SPRING

*Banquets
Concerts
Memories . . .*

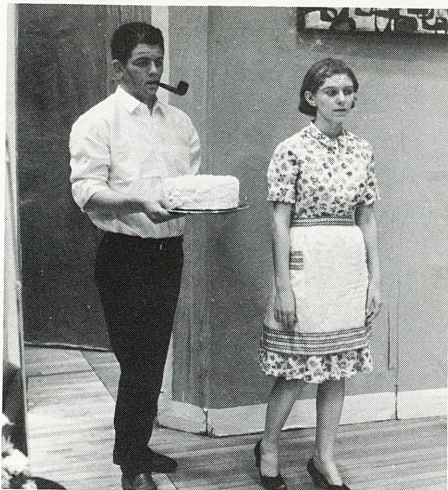

The end of the 1965-66 scholastic year was climaxed by banquets, concerts and plays. Both the senior class and the athletic department held banquets, one commemorating the end of a high school career, the other celebrating a successful year. Concerts by the chorus and band revealed the varied skills and artistic talents possessed by Kiski students. The dramatic assembly presentation *Sorry, Wrong Number* climaxed the year for all underclassmen. These activities were milestones marking another year of growth — both culturally and academically for Kiski Area students.

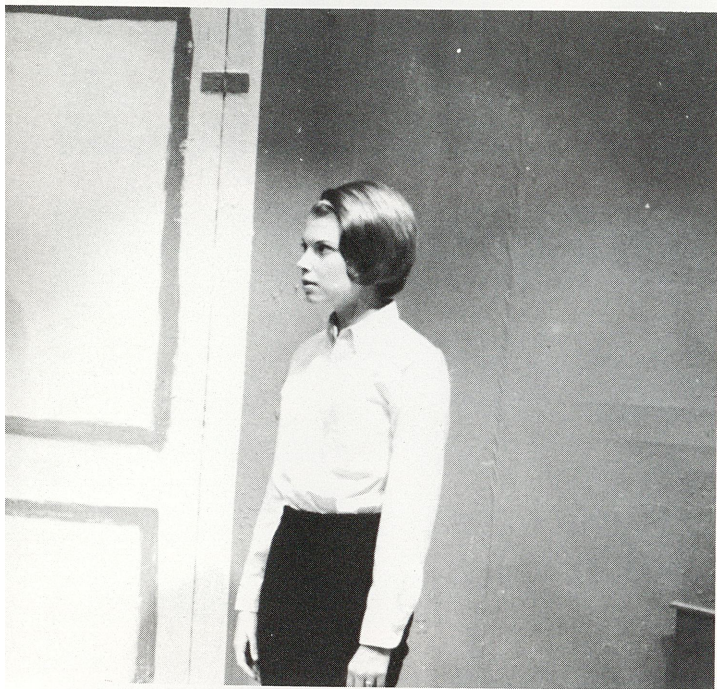

*If I'm Not Larry Benson,
Who Am I . . ."*

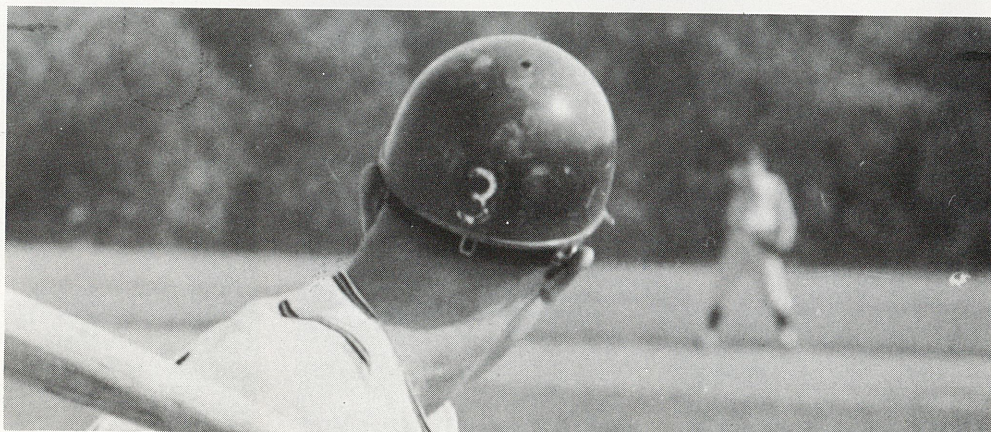

THE SENIOR CLASS PLAY The opening of the curtain reflects hours of memorizing lines, designing costumes, painting scenery, and running last minute errands which in the end marks another farewell — the "Senior Class Play". This year the senior class presented "The Death and Life of Larry Benson". They worked industriously, kept late hours, and skipped lunches to reach the epitome of success. Practice of these procedures resulted in brilliant performances by Dave Frelino as Larry Benson, Jackie Roush and Tom Brezny as his parents, and Debbie Goodsell as his sister.

A hush fell over the audience as the suspense mounted. Who was Larry Benson? Captivated by the spectacular performance, students sat hand in hand, girls crying wistfully, boys wondering anxiously. The last curtain was drawn, a thunder of applause was sounded, and the cast members received a standing ovation. With sparkling eyes, and bright smiles, they listened delightfully to the cheers of acclaim given them by their families, friends, and teachers. But as the people left the auditorium one by one, and as activity ceased, all the pleasant, happy moments they had shared during the past few weeks sped through their minds. Larry Benson may be forgotten, but fun and friendship will long be remembered . . .

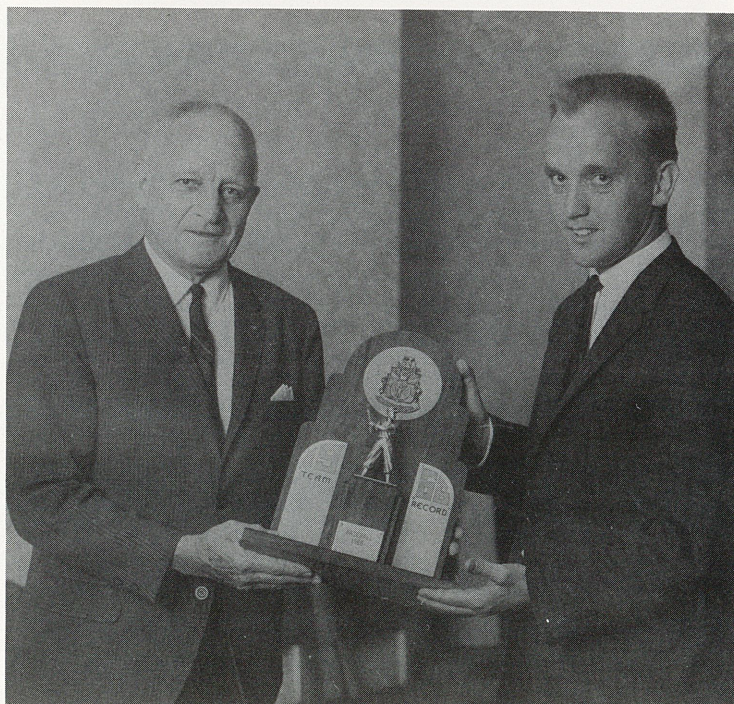

Cavaliers Capture Diamond Title

Baseball "Strike three; you're out! Yea Bill!" A thunder of applause was sounded, shouts of joy were cried, and buoyant spectators dashed across the field, as Bill Tress delivered his 100th strike out of the year to smash Gateway 4-2 and to capture the W.P.I.A.L. Diamond Crown. Immediately following the game, the Cavaliers were honored at a well-deserved dinner in Webster Hall, where Al Dunn, chairman of the W.P.I.A.L. baseball committee presented the championship trophy to the Cavalier nine. He spoke briefly stating that a keen desire to win was one of the most important assets that the team possessed. This could clearly be seen as the Cavaliers finished with an impressive season record of 16-2 which includes five play-off victories. This outstanding record could never have been fulfilled without the direction and understanding of their coach, Mr. Egelsky. Because he was studying at Indiana University as a participant in an N.D.E.A. Institute which later adjourned to Russia, he could not be present at the championship game. Although he may not have been on the field in person, the boys carried his shirt, pants, jacket and hat into the dugout for luck.

Besides good team work, the Cavaliers achieved many outstanding individual feats. Southpaw pitcher Bill Tress struck out 100 batters; Tom Wiggins stole a dozen bases; Joe McCain had a .438 batting average; Jerry Minik batted in 20 runs and Jim Jagodirski slammed five triples. The boys set a diamond mark for the year by demonstrating their persistence and desire to excel.

Awards Reveal Diversity of Talents

After twelve years . . . 2160 school days . . . award day had finally arrived. Though underclassmen captured many honors, the Award Assemblies on Wednesday, May 18, and Wednesday, May 25, were dominated by lucky seniors who received many honors including monetary awards valued at \$79,183. Mr. Dilts directed the distribution of athletic awards while team coaches distributed letters and certificates to their respective teams. Awards were presented to the most valuable team players and Joe McCain was honored as Kiski's first "athlete of the year". In the academic realm, the Guidance Department held the spotlight as they awarded certificates to all honor students. In addition to these certificates, senior honor students received charms and tie tacks. Aid in meeting the expenses of further education was awarded various seniors through club-sponsored scholarships, local civic clubs, various business firms and school-related organizations. Other honors went to hard working participants of the band and chorus.

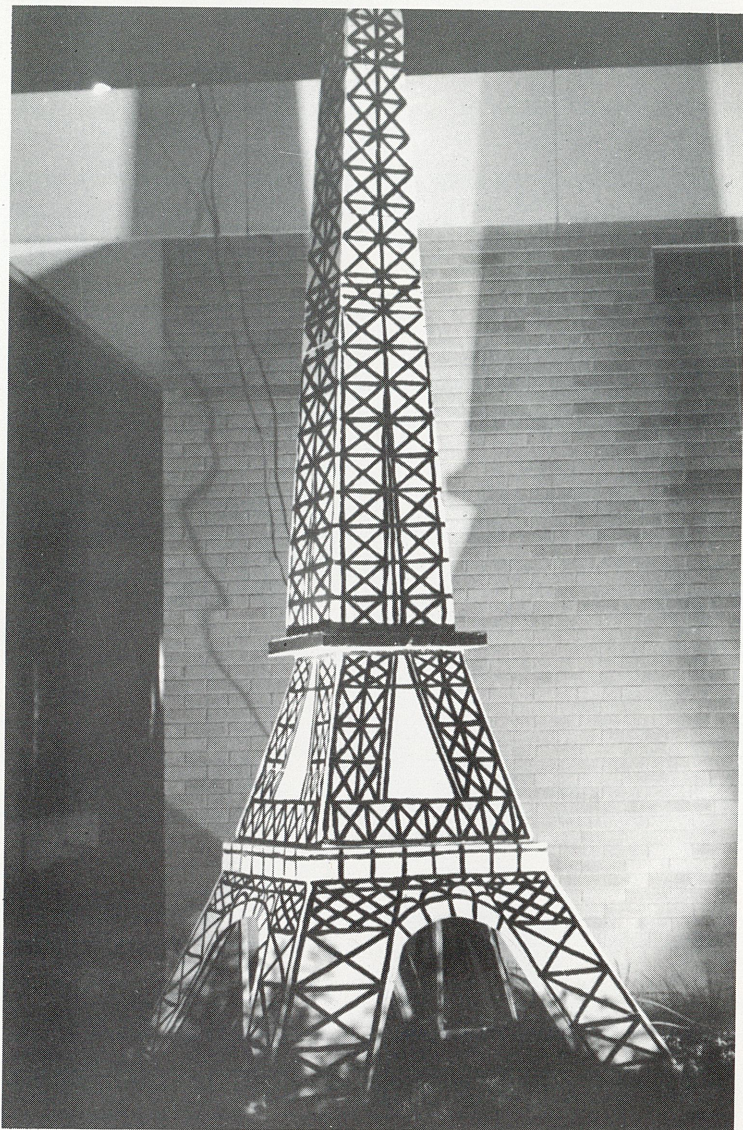

Passport to Romance Captivates Exotic Europe

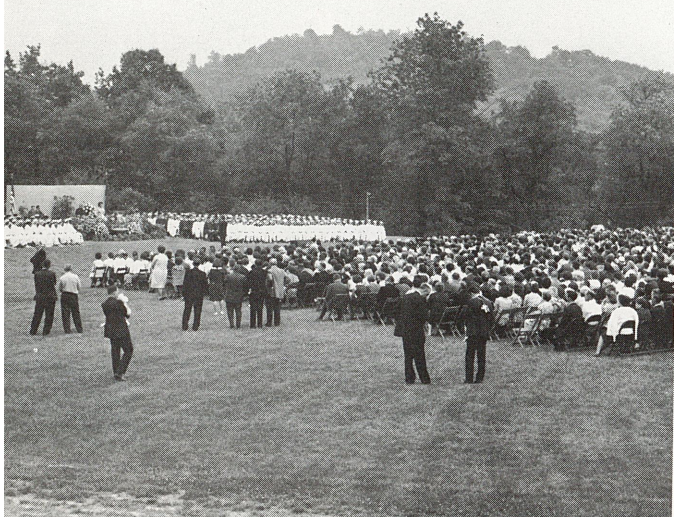

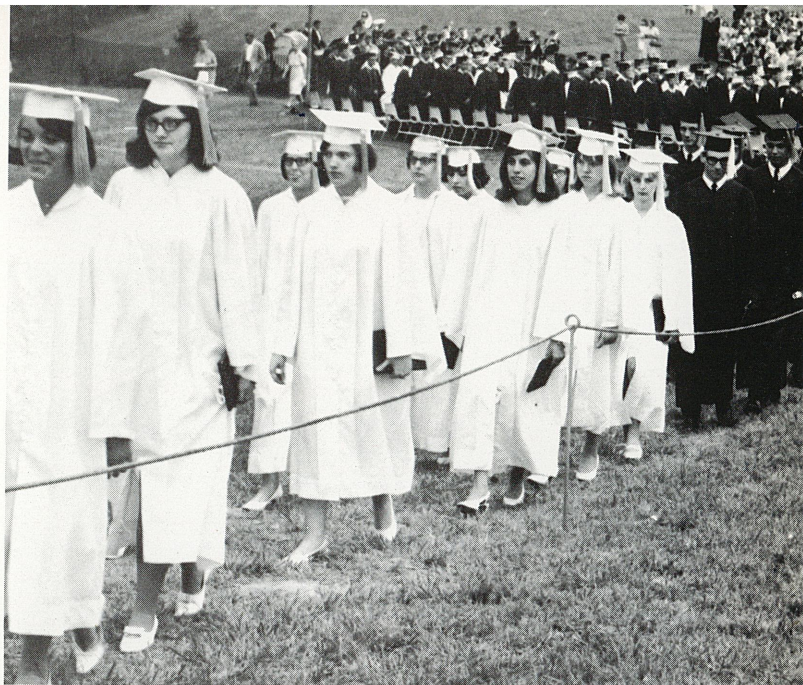

"Everyone meet at my house at six o'clock; bring paint brushes and wear old clothes." Although many people must go to the courthouse to buy their "Passport to Romance", our initial efforts for Kiski passports began in sported sweatshirts, cut-off wranglers, and dirty sneakers. Little by little the big night took shape. Students spent many long hours transforming the school into a panorama of European beauty. Finally, Friday the 13th, the day of the prom, arrived. Although the day was dark and misty, the spirits of Kiski students could not be dampened. The school was bubbling with activity. Spoiled decorations were re-done and last minute jobs were completed until the school glimmered with glamour and excitement.

That night when the girls slowly walked down the stairs as beautiful young women, the boys were caught spell-bound. The prom was fabulous! Couples danced to heavenly music, ate delicious food and chatted with their friends. All too soon dawn arrived. The last song floated through the air and it was time to leave. On Sunday, the decorations were carelessly destroyed, parachutes floated down, and tired students departed, leaving only tender memories behind . . .

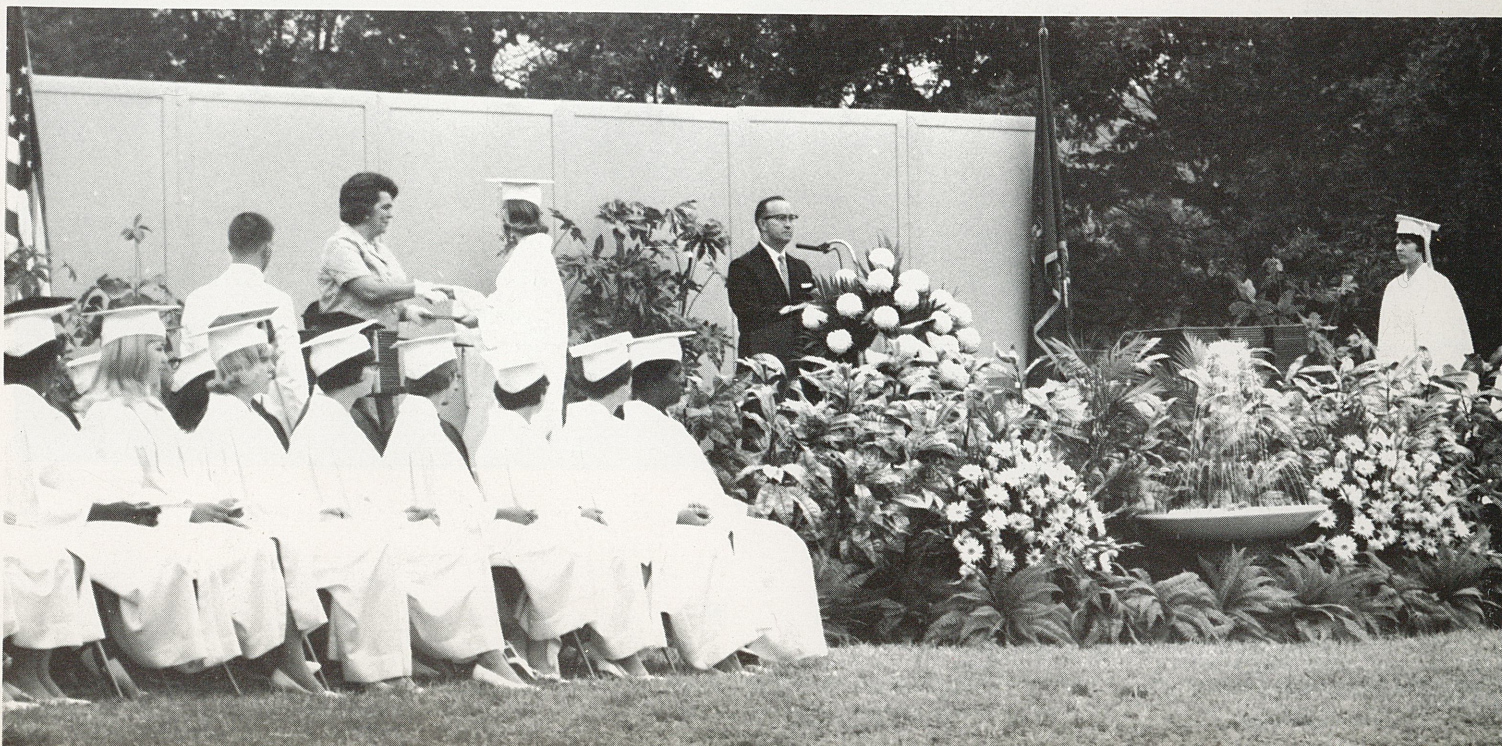

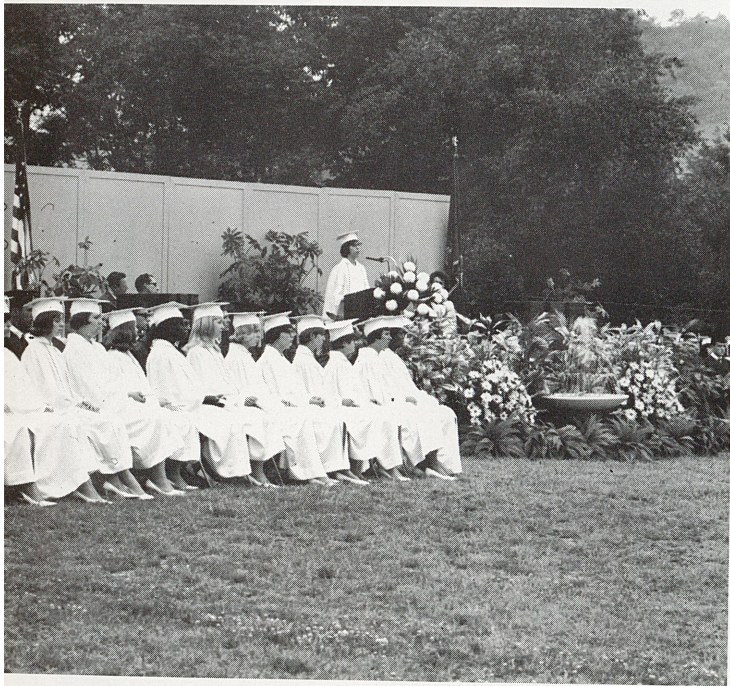

*Seniors Bid
Final
Farewell*

As we the class of 1966 embark upon our pilgrimage through life let us remember . . . the pride we felt after uttering, "I am a senior," . . . the togetherness that was nourished after each class . . . each athletic endeavor . . . each smiling hello . . . the thrill we anticipated knowing that November 5th would be declared Senior Day . . . the joy of knowing that the underclassmen would not mistake our identity since we all wore our senior flower, the wild rose . . . the obligation of knowing that one box of cookies sold would provide a passport to romance . . . the apprehension exhibited when tryouts came for "The Death and Life of Larry Benson," . . . the relentless drive we all contributed which made "Passport to Romance" a memory . . . And then that final pause — the commencing of a new beginning . . .

"I have only just a
minute . . .
Just a tiny minute —
But Eternity is in it."
